Remarks

Tucked away at the end of a secluded road on over half an acre, this one-of-a-kind retreat offers the ultimate in privacy and charm. Step inside to a gorgeous, unique floor plan filled with rich tones and gleaming hardwood floors. Two primary suites, each with their own private bath, offer flexible living for multigenerational households or hosting guests in style. A wood stove keeps things cozy while central A/C handles the summer heat. The spacious kitchen with island is made for gathering. Outside, unwind on the back deck beneath the included canopy or soak in the 220V spa tub just off the main primary suite. A 2-car carport, storage shed, and extensive upgrades to the crawlspace, plumbing, and more, round out this exceptional property.

Come see it — you won't find another like it.
